## Overview

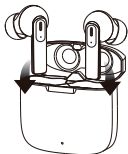

## Turn On / Off & Charge

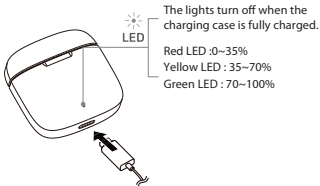

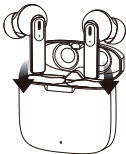

Remove the earbuds from the charging case to power them on.

Place them in the charging case to power them off.

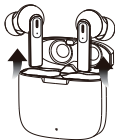

Place the earbuds in the charging case, the earbuds will light up red to indicate the battery is being charged.

The lights turn off when the earbuds are fully charged.

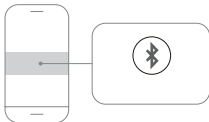

When placing the earbuds in the charging case, the LEDs on the front of the charging case will light up red, yellow or green to indicate the battery status of the charging case.

## Pair

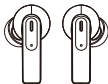

- 1 Remove the earbuds from the charging case to power them on.

- 2 Turn on Bluetooth in your phone and select "Link-SE20" to complete the connection.

## Reset

- 1 Power on and confirm it's disconnected with cellphone
- 2 Continuously tap 5 times on touch cover, you will see the lights on for 1 second. Reset finishing.

Tap either earbud 5 times.
