PRECAUTIONS

1. Do not disassemble your Bluetooth headset at any time, because doing so may damage your Bluetooth headset or cause the battery to spontaneously ignite. Please take the Bluetooth headset to the designated repair service point for repair, or replace the battery.
2. Do not use abrasive cleaners to clean this product.
3. Avoid placing the Bluetooth headset in a high temperature environment <higher than 50°C/122°F>, such as in the sun, so that will damage the performance of the Bluetooth headset and reduce battery life.
4. Do not expose the Bluetooth headset to rain or immersion in liquids.
